CHAIR

Product Description

An English designed and made (in Long Eaton) upholstery selection showcasing a range of modern designs. This range is offered in hardwood frames and standard sizes, in any fabric or leather. Can be made as a sofa bed (depth 97cm only). As the pieces are individually made they can be altered to your bespoke specification. Simple, stylish and comfortable - what's not to like? A small sofa starts at £1,299; a medium sofa starts at £1,399 and a large sofa starts at £1,499. The extra large sofa starts at £1,599. The matching armchair starts at £699. This model is available to purchase through our 'shop online' section.

Product Specification

Standard specification: Hardwood frame. Mesh top coil sprung unit and sprung edge. Serpentine sprung back. Feather complete base cushions. Feather back cushions. 2 x 50 cm scatter cushions, feather and 2 x 40 cm feather scatter cushions, included. Fitted cover.

Options available: Wooden feet in three colours - natural, dark polished and medium oak. Available in any fabric or leather. This model may also be purchased in a depth of 97 cm.

Options available at extra cost: Loose cover. Bolt-on arms. Bolt in two. Can be made as a sofa bed with a sprung, regular use mattress (for an extra £350) as follows: Small sofa = single mattress (approx 92cm x 180cm), medium sofa = double mattress (approx 132cm x 180cm) and large sofa = queen size mattress (approx 140cm x 180cm). The bed clearance when open is approx 140cm.

| Type | Width | Height | Depth | Mattress size |
