CHAIR

## Product description

European designed and manufactured modular, free-standing seating.

**Standard specification:** Firm foam back cushion with moulded foam base cushion to provide a structured clean lined, contemporary look. Available with either a 70 cm wide seat (70) or a 90 cm wide seat (90).

**Options available:** Available in a wide range of in-house fabrics, including leather and faux leather. A choice of four different arm rests and a variety of feet (chrome or coloured including wood look).

**Options available at extra cost:** Can be made in customer-own fabrics. Upgrade of base cushions (loose) in a foam/fibre mix.
