mapperly sofa

Large Sofa

Medium Sofa

Small Sofa

Product Description

Made in Long Eaton this traditionally, handcrafted model has been designed to give a low, reasonably shallow and therefore firmer seat. The Mapperly may be ordered in standard or bespoke sofa sizes. It is also available as a corner or chaise unit. Prices will vary based on sizes, fabric or leather used. As an indication a small sofa will start at £999, subject to fabric selected.

Product Specification

Standard specification: Hardwood frame, with a 10 year guarantee. Foam base cushions. Fibre back cushions. 17 cm width arms. Fibre scatter cushions. Top stitched, fitted cover. Dark wood feet. Height measured from floor to back of sofa is 64 cm, to the top of back cushions is 84 cm.

Options available: Any fabric or leather. Light or medium wood feet. Feather back cushions. Left or right hand facing chaise or corner arrangements.

Options available at extra cost: Bespoke sizes including higher and deeper seat and back if so desired. Width of arms may be increased or decreased as required. Choice of seat base cushions (fillings and number of). Additional scatter cushions.
