Product Description

An English designed and made (in Long Eaton, Derbyshire) upholstery selection showcasing a range of modern designs. This range is offered in hardwood frames and standard sizes, in any fabric or leather. As the pieces are individually made they can be altered to your bespoke specification. This model is a modern take on a traditional classic and may be made as a sofa bed. A small sofa starts at £1,299; a medium sofa starts at £1,399 and a large sofa starts at £1,499. The matching armchair starts at £699. This model is available to purchase through our 'shop online' section.

CHAIR

Product Specification

Standard specification: Hardwood frame. Mesh top coil sprung unit. Webbed back. Super wrap base cushions. Fibre back cushions. 2 x scatter cushions, feather and 2 x bolsters, feather, included.

Options available: Available in any fabric or leather. Loose or fitted cover or piped. Black plastic glides (with skirt). Wooden feet in three colours - natural, dark polished and medium oak (if fitted cover).

Options available at extra cost: Bolt on arms. Custom made sizes. Additional scatters and/or bolsters. Can be made as a sofa bed with a sprung, regular use mattress (for an extra £350) as follows: Small sofa = single mattress (approx 92cm x 180cm), medium sofa = double mattress (approx 132cm x 180cm) and large sofa = queen size mattress (approx 140cm x 180cm). The bed clearance when open is approx 140cm.

Shown model: Warnock
